WETA Television Presents *Ageless Health-The TV Special*
Premieres on November 27, 2012 at 8:00 p.m.

Fairfax, Virginia, November 2, 2012 -- WETA TV 26 and WETA HD will broadcast its first ever Pledge Broadcast on the modernization of healing traditions, showcasing the work of the Roselle Center for Healing.

Ageless Health - The TV Special, produced by SAS Productions, Inc., will follow Dr. Tom Roselle and his staff of highly trained doctors and professionals at Roselle Center for Healing, highlighting the application of natural integrated medicine and its impact on six miraculous health cases, where the use of chiropractic, applied kinesiology, acupuncture and nutrition restore each patient's health and vitality.

"Ageless Health is a remarkable showcase for the whole person approach to medicine as seen through six success stories. It is a valuable lesson in how we can all take control of our own bodies and restore the capacity for a long and healthy life," said Sue Ann Staake-Wayne, Executive Producer & Director, *Ageless Health - The TV Special*.

Ageless Health premieres on Tuesday, November 27, 2012 at 8:00 p.m. on WETA TV 26 and WETA HD in Washington D.C., Maryland and Virginia. *Ageless Health - The TV Special* trailer can be viewed at <http://www.drTomRoselle.com/events>.

"Ageless Health is the first step to learning the basic understanding of how the body functions in an optimal state of health. This broadcast is a resource to learn and to help guide you toward the goal of total and absolute control of your health and wellness – no matter what your age, status, or where you are physically today," said Dr. Tom Roselle, Director of the Roselle Center for Healing.

Ageless Health - The TV Special provides techniques in the disciplines of chiropractic, acupuncture and nutritional healing. Health goals are met by creating structural, chemical and emotional balance.

Those who seek health resources beyond traditional medicine, drugs and surgery, should tune into WETA TV 26 and WETA HD for *Ageless Health - The TV Special* on November 27, 2012 at 8:00 p.m. The program can help the viewer to design and maintain an ultimate state of wellness.
